Affidavit of Publication of this ordinance in the Courier Newspaper and Asbury Park Press of May 3, 2007 will be submitted and it is noted that a copy of the ordinance has been posted on the bulletin board in the Municipal Building and that copies were available to

the general public upon request.

Mayor Sobel opened the meeting to the public for remarks or comments for or against the final adoption of this ordinance.

Mark Teichman
127 Wilson Avenue

Mr. Teichman asked what this Ordinance is.

Mr. Brown stated this Ordinance was created to enforce a sight triangle for existing driveways. It was created to resolve a couple of specific cases where it was difficult for people to leave their driveway. However, it turned out that enforcement was impossible. So, I recommended to repeal this ordinance and came up with other ways of dealing with the problems.

There being no one else present wishing to be heard Mayor Sobel closed the public hearing on Ordinance No. 9-2007.

Councilman Vinci made a motion that Ordinance No. 9-2007 be finally passed and adopted and that notice of its passage and adoption be published by title in the May 17, 2007 issue of the Courier and Asbury Park Press.

John Gartley

1089 Woodmere Drive

Mr. Gartley asked to please summarize what the ordinance means as far as developers/redevelopers. Does that include contributions of signs, like building the sign and the lumber.

Colleen Paterson stated yes.

Mr. Brown stated you would have to report that as a contribution to the Election Law Commission.

Mr. Gartley asked what safeguard is there limiting contributions when the money is wheeled, when it is given to a County committee in another County and sent back to this County.

Colleen Paterson stated that would be hard to regulate.
