

TOWNSHIP OF ABERDEEN

ONE ABERDEEN SQUARE, ABERDEEN, NEW JERSEY 07747

December 2, 2008

Matthew S. Clark, Administrator
Monmouth County Tax Board
Hall of Records
Main Street
Freehold, NJ 07728

Dear Mr. Clark:

I'm writing to you at this time because of the current well-publicized economic conditions and continuing declining real estate market that we are experiencing. Because of these issues, we believe that it is in the best interests of both our municipality and our residents to delay the revaluation until the economy rebounds or at the very least has stabilized.

We ask that every consideration be given to this request and that the County Tax Board grant a postponement of Aberdeen's Revaluation.

Sincerely,

David Sobel, Mayor
Council
