## **HEARING OF THE CITIZENS/CORRESPONDENCE AND PETITIONS**

Mayor Sobel asked any member of the public wishing to be heard to come forward and to state their name and address.

Christine Balint

127 Wilson Avenue

Ms. Balint stated she frequently drives on both Wilson Avenue and VanBrackle Road and found they have some things in common. They both are marked with 25mph speed limits. Ms. Balint observed a lot of bicycle traffic and pedestrian traffic on Wilson

Avenue and also drivers going 40 mph. VanBrackle is a little wider, it has a little more site distance and has more signage. We have a lot of aggressive drivers on Wilson Avenue, more signage is need on the street like a 25 MPH printed on the street.

Mr. Criscuolo stated he will take a drive with the Chief and take a look at it.

Lucille Kentner  
53 Locust Street

Mrs. Kentner stated two weeks ago she spoke to Mr. Lauro regarding several large potholes which you could possibly lose a child in. They are very large. DPW have come out several times and cold patched it. They are torn up within a week, it is a waste of money. I spoke to Mr. Lauro and he immediately sent over Michael Bellamy and he agreed with me. The pothole was filled with water. He said he would be back tomorrow if it doesn't rain, cut it out and hot patch it. The man across the street was having his driveway paved and he offered the Town free asphalt, Mr. Bellamy say no he will be back tomorrow. He never showed up. I haven't heard from him again. This is a danger issue. My son was in front of the house and almost got hit by a car when it went over the pothole. Before my child gets killed I want this fixed.

Mr. Criscuolo will look at it tomorrow. It will be taken care of.

Mrs. Kentner stated Mr. Lauro and Mr. Bellamy where very nice to deal with, but this is important to me.

Wanda Simms  
100 Marjorie Street

Ms. Simms stated Marjorie Street is one way, when you come out of Midland Park the traffic comes the wrong way. There are signs when you come out of the park, she doesn't know why.

Mr. Criscuolo will meet with the Chief tomorrow and look for possible improvements.

There being no one else wishing to be heard, Mayor Sobel closed the Hearing of the Citizens/Correspondence and Petitions.

## **ADJOURNMENT**

Councilman Tagliarini made a motion to adjourn, seconded by Deputy Mayor Gumbs and unanimously concurred by Council.
