HEARING OF THE CITIZENS/CORRESPONDENCE AND PETITIONS

Mayor Sobel asked any member of the public wishing to be heard to come forward and to state their name and address.

Anthony Garaguso
105 Atlantic Avenue

Mr. Garaguso asked for an update on the beachfront.

Mr. Criscuolo stated we have received grants for the Sea Wall Project and have received DEP approvals. Congressman Pallone is helping us look for further grants for the beachfront. Community Development has given some grant money for the Sea Wall, but we need to complete one project before given more money. We are looking at many different levels.

Ken Aitken
65 Juniper Place

Mr. Aitken asked if the revaluation was done.

Mr. Criscuolo stated the final phase is being completed and correspondence will be received soon on the reval. Our Tax Assessor and County will have a public meeting and answer any questions from residents. Meetings will be set and appointments made with Realty Appraisal, they will meet during day hours, night hours and maybe a Saturday.

Mr. Aitken asked about COAH and the municipalities that have lawsuits against COAH, we should fight.

Mayor Sobel stated we have no choice but to submit a plan to COAH. The biggest suit is done through the New Jersey State League of Municipalities and we are a member.

Ed Fitzgerald
15 Bank Street

Mr. Fitzgerald welcomed Joe Criscuolo and echoed Mr. Aitken on COAH, and not to take it lying down. Mr. Fitzgerald stated it is good that Congressman Pallone knows there is an ocean north of Sea Bright.

Mr. Fitzgerald stated that a pipe for Treasure lake runs in back of Whale Creek, the pipe is clogged with sand and that may one day have to be restored.

There being no one else present wishing to be heard, Mayor Sobel closed the public portion.

ADJOURNMENT

Councilman Raymond made a motion to adjourn, seconded by Councilman Drapkin and unanimously concurred by Council.

David G. Sobel, Mayor
