**Re: Township of Aberdeen
Meizner Area Roadway & Infrastructure Improvements
CME File No.: 115.AB00664.P01**

Dear Mr. Russell:

The Meizner Area Roadway & Infrastructure Improvements, which included roadway excavation, hot mix asphalt pavement milling & paving, installation of curbing, sidewalks and driveway aprons, storm drainage, water main improvements, and sewer improvements have been satisfactorily completed by the Contractor, Lucas Brothers, Inc., and we are pleased to inform you that the final construction cost is under the original contract amount for the project due primarily to favorable conditions encountered throughout the project, which resulted in the reduction of items originally included in the Contract for contingency purposes.

Accordingly, please find enclosed a completed Closeout Change Order and Final Payment Estimate No. 9 for work performed from October 1st, 2025, to November 13th, 2025. Please note that Closeout Change Order and Final Payment Estimate No. 9 reflect reductions and increases in Contract quantities items required to satisfactorily perform the work. These adjustments reduce the current Contract amount from \$2,555,555.00 to \$2,496,190.73 for a net overall reduction of \$59,364.27.

The supplementary work described herein could not, in our opinion, have reasonably been effectuated by a separate bid contract without unduly disrupting the basic work and imposing adverse cost consequences on the Township and provides an improved level of service to the residents of the Township.

Please note that Payment Estimate No.9 reflects an increase in Item 54 above the contract quantity and addition of SUP-5 originally estimated to satisfactorily perform the

Consulting & Municipal
ENGINEERS

work ; however, this item does not increase the current total contract amount and as per our previous discussions with Township Staff, we understand that the same is acceptable to the Township.

Water Improvements.....\$10,394.93
Sanitary Sewer Improvements.....\$6,657.71
Roadway Improvements.....\$52,551.93

Accordingly, should you approve of the above, we recommend Final Acceptance of the work, approval of Closeout Change Order and Final Payment Estimate No. 9, and payment to the Contractor in the amount of **\$69,604.57**, subject to the submission by the Contractor of the required Maintenance Guarantee and review and approval by the Township Attorney.

Certified payroll reports will be submitted directly to the Township by Lucas Brothers, Inc. under separate cover.

Should you have any questions regarding this matter, please do not hesitate to contact this office.

Very truly yours,
