**Re: Request for Bond Release
966 Woodmere Drive
Block 354; Lots 2.01, 4.01
Case No. SD10-302
Our File No. PABP0354.01**

Dear Ms. Ventura:

Please be advised that at the request of Christopher Acquaviva, we have reviewed our files relative to the release of the **surety bond portion only** of the performance guarantees and we are reporting herein.

SITE IMPROVEMENTS

Concerning performance guarantees, we understand that the cost estimate for Schedule A improvements (off-site and contributory) was \$21,897.60. Therefore, the applicant was required to post 10% (\$2,189.76) of the total performance guarantee in cash and 90% (\$19,707.84) of the guarantee in a form of surety acceptable to the Township.

It is our understanding that the performance guarantees posted for this site remain at 100% of the original amount.

Relative to our recent observation of the site and review of our files, the improvements have been completed.

Accordingly, we recommend a release of the **surety bond portion only** in the amount of \$19,707.84 that was 90% of the total performance guarantees.

Should you have any questions regarding this matter, please do not hesitate to contact this office.

Very truly yours,

Anthony Abbonizio Jr., P.E.
Office of the Township Engineer
