NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_ PHONE: \_\_\_\_\_

PURPOSE OF APPLICATION: \_\_\_\_\_

All of the information below must be thoroughly completed. A current survey drawn to scale must be submitted with this application. The survey must show the proposed changes to the property, such as fence, shed, addition, ECT. The applicant may draw the proposed changes on the survey, but they must be drawn in their exact location to the property and street lines. Additional information may be required. See conditions on reverse side. If your property is in a flood zone, a flood elevation certificate will be required.
