PURPOSE OF APPLICATION: _____

SIGNATURE OWNER / AGENT

A current survey drawn to scale must be submitted with this application. The survey must show the proposed changes to the property, such as fence, shed, addition, ECT. The applicant may draw the proposed changes on the survey, but they must be drawn in their exact location to the property and street lines. Additional information may be required. See conditions on reverse side. If your property is in a flood zone, a flood elevation certificate will be required.

Approval Date: _____

Permit Number: _____

Denial Date: _____

Reason for Denial: _____

Fee: \$65.00

John Quinn, Zoning Officer
