# A WORD FROM MAYOR GREG CANNON

We hope you enjoy the 2026 Aberdeen Township Calendar.

As I begin my new role as Mayor, I want to take a moment to thank you for the trust you've placed in me. It has been an honor to serve our community as a Councilman since 2009, and it is an even greater privilege to now serve as your Mayor. As a lifelong Aberdeen resident and small business owner, I care deeply about our neighborhoods, our families, and our future. Over the last several years, your Aberdeen Township Council has invested more in our roads, parks, and public spaces than at any time in our history. These improvements are about more than pavement and playgrounds, they're about quality of life, safety, and pride in the place we call home. This calendar reflects a community that continues to grow and move forward together. In this next chapter for Aberdeen, our priorities remain clear: safe streets, strong infrastructure, thriving parks and recreation, meaningful support for seniors and families, and responsible budgeting that respects your tax dollars. We are committed to a transparent, accessible government that listens and responds to your needs.

Respectfully,

A handwritten signature in black ink, appearing to read "Greg Cannon", with a long horizontal flourish extending to the right.
