**Re: Bid Recommendation for the
2018 Road Improvement Program
Township of Aberdeen
Our File No.: PAB00662.01**

Dear Ms. Reycraft:

On June 26, 2018 three (3) bids were received for the 2018 Road Improvement Program as indicated on the attached summary of bids.

The apparent low bid was submitted by Lucas Construction Group, Inc. of Red Bank, New Jersey with a base bid of \$2,898,898.00 for Items 1 through 117 inclusive, which is \$521,313.19 under the price bid by the second lowest bidder. The second lowest bid was submitted by Black Rock Enterprise, LLC. of Old Bridge, New Jersey with a base bid of \$3,420,211.19 for items 1 through 117 inclusive.

The apparent low bid submitted by Lucas Construction Group, Inc. contained no irregularities in the submission of the bid; however, they included penny bids for eight (8) of the 117 bid items.

The second lowest bid submitted by Black Rock Enterprise, LLC. contained an error in multiplication for item 107. It should also be noted that Black Rock Enterprise, LLC. included penny bids for seventeen (17) of the 117 bid items.

It should be noted that we have worked with Lucas Construction Group, Inc. on previous Municipal projects, including projects in Aberdeen Township, and their performance has been favorable.

Should the bid submitted by Lucas Construction Group, Inc. be within the available funding for the project, we recommend award of the project to Lucas Construction Group, Inc. for items 1 through 117 inclusive subject to: certification of funds by the Township's Chief Financial Officer; review and approval by the Township Attorney; verification that the bonding and surety companies are licensed to do business in the State of New Jersey and that the bonding company appears in the current list of "Companies Holding Certificates of Authority as Acceptable Reinsuring Companies", by the U.S. Treasury Department; verification that the Contractor has sealed the bid with their corporate seal where appropriate; the submission of the required bonds and insurance certificates for the project; and the Contractor certifying that they will provide the work required under Items 17-21 and 25-27 at the penny bid unit price indicated, if and where ordered by the Township.
